DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 9/9/2005 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s).

The Office Action mailed 4/12/2005, paragraph 5 stated:

“The elected method is a method of treatment with interferon gamma inducible protein 10 (aka IP-10). Applicant needs to delete the limitation “expressing within” from claims 13/16 because said limitation reads on a nonelected invention (eg. treatment with nucleic acids or a cell expressing nucleic acids as per nonelected groups II and III from the Office action mailed 10/3/2003).”.
The offending subject matter has not been deleted.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
